

TOP SECRET

Team Fear: Questions

1. Who/what are is "the Company?"
 2. What do they want? (A: us dead?)
 3. What about the other teams?
 - a. Are they experiencing the same threats?
Side effects? Where are they? Were they discharged? Killed?
 4. Who funded the program? (follow the \$\$)
 5. Who wants Team Fear gone and why?
(A: long damn list)
 6. Medical personnel and researchers were involved. ~~Who are they?~~ Who did the R&D?
Where are they? (are they close to El Paso??)
 7. How long does the fearlessness last? What about paranoia? Anger?
- ADDED:** What is in the pills they gave us?
8. What triggers the episodes like the one Ryder experienced? Is the formula different than the

TOP SECRET

original? Why? How? *Too damn many questions, light on answers.*

9. What are the odds that all 12 men on ~~Echo~~ Team Echo went psycho unless they were pushed, selected, or damaged that way?

10. What do we (Team Fear) have in common?

Craft's Answer: loyalty: "I'd die for you fuckers."

Lauren's Answer: Military trinity: God, country, family.

★ **Fowler's long-assed answer:** Dedication to the mission. Core beliefs.

Q: If we were all chosen for our patriotism, is it possible that members of Team Echo were all chosen for their moral flexibility? And, to extrapolate, does that mean each team (Alpha-Bravo-Charlie-Delta-Echo-Fear) were selected for different desirable attributes?
